INDEPENDENT AUDITOR'S REPORT

To the shareholders of Example Manufacturing AD

Report on the Audit of the Financial Statements

Adverse Opinion

We have audited the financial statements of Example Manufacturing AD (the Company), which comprise the statement of financial position as at 31 December 2025, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion section of our report, the accompanying financial statements do not present fairly the financial position of the Company as at 31 December 2025, and its financial performance and its cash flows for the year then ended in accordance with IFRS Accounting Standards as adopted by the European Union.

Basis for Adverse Opinion

As explained in Note 4, the Company has not consolidated its subsidiary Example Logistics EOOD, which it acquired during 2025, because it has not yet been able to determine the fair values of certain of the subsidiary’s material assets and liabilities at the acquisition date.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS Accounting Standards as adopted by the European Union, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.
