INDEPENDENT AUDITOR'S REPORT

To the shareholders of Example Manufacturing AD

Report on the Audit of the Financial Statements

Disclaimer of Opinion

We were engaged to audit the financial statements of Example Manufacturing AD (the Company), which comprise the statement of financial position as at 31 December 2025, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

We do not express an opinion on the accompanying financial statements of the Company. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

We were appointed as auditors of the Company on 15 January 2026 and thus did not observe the counting of physical inventories at the beginning or the end of the year. We were unable to satisfy ourselves by alternative means concerning inventory quantities held at 31 December 2025, which are stated in the statement of financial position at BGN 4,215 thousand.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS Accounting Standards as adopted by the European Union, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.
